

About Us

Planned Parenthood of North East Pennsylvania is the oldest provider of voluntary family planning health care and education in this part of Pennsylvania serving nine counties with eight health centers.

We provide information, education and medical services to 20,000 people each year.

PPNEP volunteers come in all shapes, sizes and age groups! Our current volunteers range in age from 14 to 85. No matter what, there is always a task to be found and training provided. We welcome everyone with open arms!

Planned Parenthood began as a volunteer-driven organization and we continue to rely on our dedicated volunteers.

Volunteer Gathering

Every now and then we gather our volunteers together for some fun time. There may be a short training, presentation from one of our departments, or an update on our affiliate or the reproductive world. There will always be refreshments!

Opportunities

HEALTH CENTER AIDE

PPNEP offers positions at all eight health centers in Allentown, Bethlehem, Easton, Hazleton, Reading, Scranton, Stroudsburg and Wilkes-Barre.

HAND HOLDER-ABORTION SERVICES

Help women by providing non-judgmental comfort, counseling and support as well as needed information.

HEALTH CENTER ADVOCATE

Spend some time in a health center waiting room. Assist clients and friends to register to vote and join the e-mail network (PPAN). Update the waiting room issues display.

VIRTUAL VOLUNTEER

Join the Planned Parenthood Action Network (PPAN) and we will alert you by e-mail when you are needed to make a difference! Your voice will join thousands of others calling on their elected officials to support family planning and reproductive health care, and other salient issues.

LETTER-WRITING GROUP

Be an activist from your home! We'll provide you with the tools and you'll provide your informed opinion to our elected officials and newspapers about important Planned Parenthood topics!

DEVELOPMENT ASSISTANT

Help our fundraising Development Department with grant writing, mailings, filing and database maintenance along with planning and leading campaigns and events.

ELEPHANT'S TRUNK STAFF

Lend a helping hand at our volunteer run consignment shop. You can price items, arrange the displays or ring up customers' purchases.

EDUCATION ASSISTANT

Work with sexuality educators, prepare for special events, create interactive activities, develop curricula, enter data and do research.

VOLUNTEER EDUCATOR

Educate community members about safer sex while gaining valuable knowledge and facilitation skills. A commitment of three hours per month for one year is required.

TABLING VOLUNTEER

Attend our simple training and be ready to represent PPNEP at local health fairs, concerts and community events.

SPECIAL EVENTS VOLUNTEER

Work with PPNEP staff and committees to gather resources to plan an event.

ONE-TIME PROJECT VOLUNTEER

Work with PPNEP to complete a specific, time-limited project.

Benefits

- Gaining skills and experience
- Building career references
- Putting your pro-choice beliefs into useful action
- Meeting people with common interests
- Receiving free reproductive health care at any of PPNEP's eight health centers after 50 hours of service
- Borrowing materials from PPNEP resource centers
- Attending PPNEP in-house trainings

We offer individuals the opportunity to learn more about sexuality education, reproductive rights and reproductive health care services while contributing their time and efforts to our organization.

MISSION STATEMENT

Planned Parenthood of North East Pennsylvania shall protect and promote an environment that ensures that individuals have universal access to quality reproductive health care and the freedom of choice to determine their reproductive needs.
